little star center™

Where kids with autism learn to live in the world.  
Where parents learn they are not alone.

## Affordable Care Act and Autism: What You Need to Know

This informational meeting about the Affordable Care Act (ACA) and how it will affect many Hoosiers, especially those with autism and other disabilities, is free and open to all. Learn about the upcoming changes and what you need to do.

- **What to do if you are currently covered by ICHIA**
- **Child only private policies**
- **Exchange vs private sector policies – and costs**
- **The application process**
