

# Sertoma Club of East Indianapolis

**Presents:**

## **Free Respite Care**

The Sertoma Club of East Indianapolis would like to offer parents with special needs children, a night out to themselves worry-free! Our staff is all trained individuals who have either worked with the special need community or have hands on experience personally. Many of our staff has worked with **Camp Gather/Gather on the Move** (Indy Parks), along with different school districts in the city. Most, if not all, of our staff is CPR certified, and have experience in dealing with children with G-Tube's, seizure disorders, etc. **Siblings are welcome!**

Sertoma Club of East Indianapolis would like to build on this program so we can provide this service to more families. If you know of anyone who would be interested in participating, please feel free to invite them as well.

Just fill out an information form on your child and give us a call, or send an e-mail to [mspangle@hhcorp.org](mailto:mspangle@hhcorp.org). Or Contact me, **Melissa Spangler** at **317-403-1918** with any questions. We need to have a **RSVP** of how many children will be attending by the **Tuesday before that Friday**. We look forward to servicing our community and making life a little bit easier for you.
